**Sub: REMOVAL OF OUR COMPANY FROM THE BANNED LIST**

Dear Sir,

We came to know about the SEBI Order: HO/ISD/OW/P/2017/18183 dated August 7, 2017 regarding shell companies; this is very shocking for us that our company is falling in list of suspected shell company. Our company is not a shell company.

Our company is actually running business of security market and the company has complied all the compliances of the exchanges since its listing, 1996 and registrar of Companies since its incorporation, 1995. The company is dividends and bonuses paid company to its more than 6600 shareholders and have properly complied its laws. Even our company had come with right issue in the year 2011-12 with the approval of Securities and Exchange Board of India only. The issue was subscribed. Our company running its business effectively and efficiently so that you gave us the approval to go for right issue. Now surprisingly on 7th of August, 2017 you suspected our company as shell Company and shifted it to GSM VI on the stock Exchange as a result of it the securities will be traded only once in a month. Our company has never indulged in any kind of malpractices in any field, since for the safeguards of the shareholders shift our company from GSM VI on the stock Exchange to normal course of trading.

Therefore it is again requested to you that remove our company from the banned list to safeguard the interest of the shareholders of the Company.

Thanking You.
